Councilmember Mike Molina was first elected to the Maui County Council in 2000 and is currently serving his third term. Molina chairs the Committee of the Whole and formerly served as chair for the Public Works and Traffic Committee. Molina, born and raised in Maui, is a 1978 graduate of Maui High School and a veteran of the United States Air Force and Hawaii Air National Guard. He received his Bachelor of Arts Degree in Sociology and Education from the University of Hawaii at Hilo in 1987. Prior to being elected to public office, Molina was a public school teacher employed by the Department of Education.

Councilmember Molina has proposed or supported a variety of social programs for our youth and seniors, initiated funding for various traffic safety/road improvement projects, supported numerous affordable housing proposals, and authored a bill that provides assistance for first-time homebuyers using county funds. For the next term, Molina will continue to work towards providing affordable housing opportunities to prevent the "exodus" of young families and those in critical occupations to other places. Other priorities include improving road conditions, traffic mitigation and enhancing water infrastructure, maintaining public safety, minimizing impacts to our environment, and open, accessible government.
